

TOUCH OF GRACE

MATTHEW 8:1-4

- The touch of GRACE brings restoration, reconciliation, joy and hope in our life. When Christ touched the leper, his life was restored completely. He was reconciled with God, his family and the society. He was filled with joy and hope.

TOUCH OF GRACE

- We can do the same in the body of Christ.
- We are saved by GRACE through faith and we should deal with each other by GRACE as God has dealt with us by GRACE.

BENEFITS OF GRACE

- Grace brings restoration in our life.
- Grace brings reconciliation in our life.
- Grace brings joy in our life.

CONCLUSION

- We are saved by grace and God gives us sufficient grace everyday. Therefore we should be graceful to everyone in the body of Christ.
- As graceful people, we should be an agent of restoration, hope, joy and reconciliation.
