

# Christian Fellowship

Acts 2:42-47

**UNITED**  
CHRISTIAN CHURCH

# Definition of Christian Fellowship

- Fellowship (Koinonia) means a mutual sharing, partnership or participation with others. It is functioning together in ministry.
- Dr. Tony Evans says “ The Church is a family affair, a group of people coming together so all can partake in a mutual faith in Christ.

# Definition of Christian Fellowship

- Christian fellowship is based upon truth. It is based upon the fact that first of all we have fellowship with Jesus Christ who is the truth and then we have fellowship with each other. Christian fellowship is first vertical and then horizontal. It is the kind of fellowship that people are committed and generous to God and each other.”

# Description of Christian Fellowship

- According to Acts 2:42-47, Christian fellowship have following elements:
- Christian fellowship is studying God's word together.
- It is spending time together at church and away from the church.

# Description of Christian Fellowship

- It is eating meals together.
- It is sharing material sources and possessions with each other.
- It is praying and praising together.
- It is obeying together.

# Benefits of Christian Fellowship

- When we have this kind of biblical fellowship, the benefits are numerous. In summary we have, qualitative and quantitative growth of the body of Christ.
- Acts 2:43-47 says:

# Benefits of Christian Fellowship

- Every one was filled with awe.
- Signs and wonders were done.
- Believers were united in everything.
- They met each others need.
- They had numerical growth.
- They had regular love feasts in their homes.

# CONCLUSION

- Christian fellowship is important for church growth and healthy body life.
- The basis of this fellowship is our relationship with Jesus Christ.
- When we have vertical unity, then only, we can have horizontal unity.

# CONCLUSION

- Christian fellowship is to study the word, spending time, eating meals, sharing material resources, praying, praising and obeying God together.
- In this kind of fellowship, the body of Christ grows in quality and in quantity.
